

DESIGNATION OF SUBCONTRACTORS

[To be executed and submitted by Contractor with response to Lease-Leaseback RFP]

Each proposing LLB entity shall set forth below the name and the location of the place of business, the California contractor license number, and for all projects over Twenty-five Thousand dollars (\$25,000) the public works contractor registration number, of each subcontractor, who will perform work or labor or render service to the proposing LLB entity in or about the construction of the Work or improvement, or to a subcontractor licensed by the State of California who, under subcontract to the proposing LLB entity, specially fabricates and installs a portion of the Work or improvement according to detailed drawings contained in the plans and specifications, in an amount in excess of one-half of one percent (0.5%) of the proposing LLB entity's total proposal, and the portion of the Work which will be done by each subcontractor. An inadvertent error in listing a California contractor's license number shall not be grounds for filing a protest or for considering the proposal nonresponsive if the proposing LLB entity submits the corrected contractor's license number to the District within 24 hours after the deadline for submittal of the proposal, or any continuation thereof, so long as the corrected contractor's license number corresponds to the submitted name and location for that subcontractor.

If the proposing LLB entity fails to specify a subcontractor for any portion of the Work to be performed under the Contract in excess of one-half of one percent (0.5%) of the proposing LLB entity's total proposal, the proposing LLB entity shall be deemed to have agreed to perform such portion itself, and shall not be permitted to subcontract that portion of the Work except under the conditions hereinafter set forth.

Subletting or subcontracting of any portion of the Work as to which no subcontractor was designated in the original proposal shall only be permitted in cases of public emergency or necessity, and then only after a finding reduced to writing as a public record of the legislative body of the District.

Projects over Twenty-five Thousand dollars (\$25,000): for any proposal submitted, and for any contract for public work entered into, an inadvertent error in listing a subcontractor who is not registered under Labor Code section 1725.5 shall not be grounds for filing a protest or grounds for considering the proposal nonresponsive, provided that either: the subcontractor is registered prior to the deadline for submittal of the proposal; or the subcontractor is registered and has paid the penalty registration fee specified in Labor Code section 1725.5(a)(2)(E), if applicable, within 24 hours after the deadline for submittal of the proposal; or the subcontractor is replaced by another registered subcontractor under Public Contract Code section 4107. Failure of a listed subcontractor to be registered shall be grounds under Public Contract Code section 4107 for the Contractor, with the District's consent, to substitute a registered subcontractor for the unregistered subcontractor.

Failure to provide this information in a legible manner may result in the rejection of an otherwise acceptable proposal.
