School Description

At Dr. Martin Luther King Jr. Academy, we believe...

it is a human right to receive a high quality education that helps marginalized communities break the cycle of poverty, that words have the power to nurture or destroy a child's self-worth, and that we, as educators should serve as a guiding compass, that supports through positive relationships with our students, and the community as a whole.

Dr. Martin Luther King, Jr. Academy (MLK) currently serves approximately 605 students in Transitional Kindergarten-6th grade, as well as approximately 80 pre-schoolers in the Monterey County Head Start Program. We are proud to provide educational services for all our students in a safe, and state of the art environment.

Some highlights of our school includes the following:

1. We have a Family Resource Center (FRC) on our campus, The MLK FRC. This center provides families in our neighborhood access to numerous resources such as:

- counseling;
- adult English as a Second Language classes;
- technology classes;
- and referrals to a myriad of agencies/ organizations designed to support families in need.

2. Our district has recently hired counselors to support students with their social emotional needs. Currently our counselor works full time at our school. Some of their duties include the following: classroom presentations,

parent presentations, group counseling, and a contributing member of our school Coordination of Services Teams, as well as PBIS Teams. We have also partnered with Harmony at Home, an organization that provides

counselors for students dealing with trauma, and are able to have an additional counselor on site for another day; thus, counseling is available to our students a total of five days per week.

3. Classrooms are equipped with the latest technology, including updated wireless Internet, LCD projectors, document cameras (ELMOs).

4. All students in Kindergarten-6th grades are provided 1:1 devices, Chromebooks; to assist with learning 21st Century technology skills.

5. Teachers also receive ongoing professional development on the latest strategies of technology integration during the school day. These trainings occur during regular Technology Club meetings led by our site based

Educational Technology Liaison. Staff members are participating in ongoing Google Bootcamps to become Certified Google Level 1 Educators.

Software programs that our students have access to include, but are not limited to the following:

- Google Classroom, Seesaw, Doceri, Accelerated Reader, Symphony Math, Type to Learn 4, Lexia Core 5, Read 180, System 44, Doink, Scratch, IXL Math, IXL English Language Arts, and Code.org
6. MLK has a state of the art Instructional Media Center/ Library with fully functioning computer lab, as well as two rolling Computer on Wheels Carts (COWS);
7. MLK has a Before School Program (BSP), as well as After School Program (ASP) that serves over 120 students on a daily basis. During our ASP, students are able to participate in:
- Drumline;
 - Trumpets;
 - Mariachi Program (brass instruments);
 - Folkloric Dance
8. MLK also has programs available to our students on Saturdays via a partnership with Hartnell Community College which are the NASA SEMA Program, and the nationally recognized Coder Dojo Academy;
9. MLK is also the hub for fall sports in the Alisal Union School District as we house volleyball, and basketball games on our school grounds.
10. MLK students have access to an outdoor garden for use during the school day, and during our After School Program.
11. MLK teachers meet in a revamped Instructional Coach's office/ Workroom where they have access to resources such as guided reading books, and an area where they are able to collaborate during Grade Level Team meetings.
12. MLK is currently in the 5th year implementation of the Positive Behavior Intervention and Supports (PBIS) Model. Students are recognized for their positive behavior, and understand the mantra of being Ready, Responsible, and Respectful scholars. We have Tier 1, Tier 2, as well as Tier 3 Teams that lead monthly recognition events in addition to a PBIS store.
13. MLK teachers continue to work on a Problem of Practice (PoP), which is a lack of consistency in a school wide writing program, and as such have begun working with a Write Up a Storm coach/consultant to improve writing

across all grade levels. Through our work with the district's Instructional Leadership Team, a second Problem of Practice has also been identified in the area of math; namely the lack of student progress with the

implementation of the Eureka Math program. The focus of improving instruction at the Tier 1 Level has begun both at the district level with ongoing professional development with math, as well as focusing on it during our Grade Level Team meetings.

At Dr. Martin Luther King Jr. Academy, our faculty works hard to promote our vision of success and excellence within each student. Each teacher continues to motivate our students to work hard and be self reliant; so that in turn, they can make a positive difference in their community. Students are recognized monthly for academic success and improvement in behavior via our student of the month assemblies, as well as end of trimester Accelerated Reader assemblies.

Teachers and all staff members are continuously working to provide all of our students with the best educational experience possible.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study

CAASPP Test Results in ELA and Mathematics for All Students

Percentage of Students Meeting or Exceeding the State Standard

Subject	School 17-18	School 18-19	District 17-18	District 18-19	State 17-18	State 18-19
ELA	23	29	32	36	50	50
Math	18	25	23	28	38	39

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2019-20)

During the 2019-2020 school year parents have had multiple opportunities to participate in their children's education. These opportunities included attending school wide meetings, sporting events, or via academic awards assemblies. Some of the meetings included the following:

- Parents participated in Parenting/ Leadership classes through the Parenting Partners project, we have a Spring, and a Fall cohort;
- Parents may also attend the Parent Project Jr./ Soluciones Cariñosas parenting classes offered at the MLK Family Resource Center;
- Parents are able to attend Cafecito/ Coffee with the Principal meetings on a monthly basis to receive information on topics of interest for them, i.e. gang awareness, drug awareness, social media safety, etc.
- Parents serve on our School Site Council and the English Language Advisory Committee; and are able to make decisions about best strategies for English Learners, and socio-economically disadvantaged students;
- Parents attended district led meetings to give input on issues that affected Dr. Martin Luther King Jr. Academy, i.e. facilities master plan meeting, Local Control Funding Formula Meeting, and annual Title I Meeting

In an effort to celebrate student athletic, and academic successes, all parents were invited to participate in the following:

- Back-to-School Night in the fall and Open House in the spring;
- Monthly Student of the Month awards ceremonies;
- Accelerated Reader Trimester Awards Assemblies;
- Weekend athletic games, and Sports Awards Assemblies;

Opportunity to join the The Parent Teacher Club was available at all times, the PTC assisted with student activities after school, as well as instrumental in raising funds to provide additional resources for our students at Dr. Martin Luther King Jr. Academy.

For parent involvement opportunities, please contact Mr. Abelardo De León Jr., Principal, or Mrs. Suzanne Contreras, Assistant Principal at (831) 796-3916.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Campus supervisors monitor the school grounds before and after school, at recesses, and at lunchtime. Additionally, during the morning recess, two teachers per grade level are assigned to assist with student supervision. Teachers regularly review the rules for safe, responsible behavior. All visitors are required to sign in at the office, where they receive a visitor's badge. Our campus is fenced in to assist in keeping unwanted persons from wandering through the campus.

The latest revision of our School Safety Plan was completed during the 2019-2020 school year. This revision was presented to parents during a School Site Council meeting in the Winter of 2020. The plan includes procedures for emergencies, exit routes, and inventories of emergency supplies. We make the plan available in the school office, and it is reviewed with all staff at our first staff meeting. Drills for fire, earthquake, and lockdowns are held on a monthly basis. Training for all staff members on emergency preparedness takes place on a regular basis.

School staff received training on on Positive Behavior and Interventional Supports, PBIS, a school wide discipline plan designed to reward positive student behavior. A PBIS Committee was established to continue to monitor implementation, as well as providing professional development for fellow staff members.

Additionally, a school team from MLK participated in the ALICE Trainer of Trainers Active Shooter program during the 2018 school year. School staff, and parents have received presentations on the ALICE model, and additionally teachers also receive professional development through an online model. The entire teaching staff is expected to complete the ALICE online modules and receive certification by the end of January 2020.

Professional Development provided for Teachers

Measure	2017-18	2018-19	2019-20
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8

Professional Development was provided to staff in the following areas:

- Trauma Informed Self Care for Educators;
- Mindfulness for Students;
- District mandated reporter training (child abuse);
- Standards-based planning for instruction, learning and assessment, focused on Common Core State Standards, CCSS;
- 1:1 Technology Implementation (laptops, tablets, iPads);
- Phases of Close Reading;
- Bilingual Transference (for teachers facilitating Alternative Bilingual Education classes);

- Lesson Design and Engagement;
- Coaching Cycles (for Academic Coaches);
- Engage NY Math;
- Learning Walks.

Professional development specific to Dr. Martin Luther King Jr. Academy included the following:

- High Leverage Strategies for CELDT preparation
- High Leverage Strategies for ELPAC preparation
- High Leverage Strategies for English Language Development
- Unpacking of ELPAC Tasks to prepare for the ELPAC
- Evidence Based Questioning, and Close Reading strategies to support reading during the SBAC
- Write Up a Storm Writing Professional Development (10 days)
- MLK teachers received professional development in technology through the support of our on site Ed. Tech Liaison, Ms. Osorio. PD was held on a monthly basis based on teacher requests. Ms. Osorio also provided PD during Staff Meetings on items such as software implementation, and Google G Suite.
- Unpacking of English Language Arts, Mathematics, and English Language Development Standards

Professional development was delivered through grade level sessions during regular work days with release time for classroom teachers during Grade Level Team collaboration meetings, GLTs. There were an additional 5 days of Professional Development where teachers received training based on site specific needs developed through an online survey.

Teachers were supported by the site's Academic Instructional Coach through in class demonstration lessons, release days, and during GLTs.

The Alisal Union School District Educational Services Department provides ongoing opportunities for teacher training through a number of venues that includes online, after school, as well as some weekends.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.
