School Description

Welcome to Alisal Community Elementary School, home of the Tigers. We are a community of outstanding students, teachers, and parents. The Alisal staff provides every child with a rewarding and enriching educational experience. Our staff and community are dedicated to continually supporting our students in "striving for academic excellence."

Together, we have developed high expectations and provide the students the support to meet these expectations. We hold high expectations of ourselves as teaching professionals and of students as learners. We believe all our students can learn to their full potential! We encourage parent participation and support throughout the year. By working as a team of teachers, students, and parents we can reach and celebrate achievements together, Working Hand in Hand Toward School Improvement.

Through strong academic programs, parent involvement, and hardworking teachers, Alisal Community Elementary School is a thriving and successful learning community.

School staff support our students in a number of academically based afterschool programs. The After-School Education and Safety program provided additional support for our students in academics, sports programs, and even the arts. We had a strong representation in sports, with a number of teams playing in programs in conjunction with the City of Salinas Recreation Department as well as internally with the Alisal Union School District.

Mission Statement:

Our Alisal Community team is collectively responsible for providing all students with access to a high quality education. We address students' needs and create a safe community that motivates, empowers, and inspires our learners to thrive.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

At Alisal Community School, parents have many opportunities to participate in their children's learning activities, including Parenting Partners, School Site Council, and the Parent Volunteers. Parents are also invited to volunteer in their student's classrooms to help teachers prepare materials for lessons and to read to our students.

Parents are also instrumental in our Winter "Las Posadas" celebrations, Fall Harvest Carnival, and Spring Science Fair. Parents are always encouraged to attend parent-teacher conferences, Open House, Trimester Awards, and Family Reading and Math Nights as well.

For more information about how to get involved at your school, please contact Mrs. Elizabeth Armenta, School Principal at (831) 753-5720.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Student safety is of the utmost concern at Alisal Community School. Our campus supervisors and staff supervises students both before and after school. While on campus, students are supervised at all times by teachers, campus supervisors, and school administrators. Visitors to the school must report to the main office and sign our visitors' log before visiting our campus.

Our School Safety Plan is reviewed annually. It includes procedures for dealing with a variety of emergency situations such as earthquakes, fires, bomb threats, and intruders on campus. We share this plan with staff and parents yearly, and there are copies in each classroom so that teachers can refer to them immediately. Earthquake and fire drills are held monthly throughout the year. In addition, a group of staff members received the ALICE training provided by our district, in January 2020.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19
Suspensions	0.8	1.7	1.5	1.1	3.5	3.5
Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.
