School Description

Frank Paul Elementary School, home of the "Riders" is located at 1300 Rider Avenue in the city of Salinas. Our school serves more than 752 students in grades transitional kindergarten through sixth grade. The One Way Developmental Bilingual program exists at grades kinder through sixth. We have two special education day classes, which support children in grades third through six. Our vision is to continue using collaborative conversations by using academic vocabulary, and to provide our students with engaging instruction, enriching learning opportunities and the willingness to push them as far as we can academically. Our teachers believe in the importance of strong instructional practices along with the implementation of research-based instructional strategies.

The instructional program is comprehensive in all curricular areas based on common core state standards and district guidelines. Teachers meet on a regular basis to negotiate program content, pacing, and student progress. Our instructional program is supported by Accelerated Reader, guided reading interventions (Tier I, II and III), and Accelerated Math. In addition, children in grades kindergarten through sixth grade participate in the 1:1 technology program. Instructional practices include multiple opportunities for technology-based learning projects. The goal is to provide children with the opportunity to learn using the latest educational applications, which support the curriculum.

This is the eighth complete year of our after school program. The program offers our students academic and enrichment activities, including structured tutoring and homework assistance, reading/language arts, English language development, and math. The enrichment activities include music, drum-line, guitar lessons, folklórico, chess and gardening. The Reading program includes Lexia, Reads Naturally, and Reading A-Z, depending on the child's needs. Math programs include Triumphs, and Rewards. The school offers extracurricular activities such as soccer, basketball, volleyball, and flag football.

Frank Paul Elementary school has a strong partnership of staff, students, parent, and community through monthly meetings. The encouragement and participation in school activities supports the idea that every child can learn and every child will.

Our mission Statement: Frank Paul Elementary School

We believe. . .

All students and families deserve an equitable, nurturing learning environment, so that learning is an enjoyable practice, permanent to their lives, developing into lifelong learners and leaders of tomorrow.

All students can learn about civic duty, to become active members of society, and their community.

All students have access to differentiated instruction to ensure success.

About the SARC

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>.
- For more information about the LCFF or the LCAP, see the CDE LCFF webpage at <https://www.cde.ca.gov/fg/aa/lc/>.
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

School Facility Conditions and Planned Improvements (Most Recent Year)

Frank Paul School provides a safe and clean environment for learning. Our custodial staff consists of a lead day custodian and two evening custodians. Each classroom, restroom, and office is cleaned daily. District personnel maintain landscaping and provide other operational services. If the need arises, a work order is placed and repairs are made.

Frank Paul is a 30-year-old modular school, with an additional 10 rooms added two years ago. The school consists of 33 regular classrooms and four preschool classrooms, one of which is an outside facility, which rents out the space. Our school has only three permanent buildings: our multipurpose room and two classrooms. Our multipurpose room serves as our cafeteria and events center. In case of inclement weather we use our satellite cafeteria to help manage the number of children out at the same time.

School Facility Good Repair Status (Most Recent Year)

Using the **most recently collected** FIT data (or equivalent), provide the following:

- Determination of repair status for systems listed
- Description of any needed maintenance to ensure good repair
- The year and month in which the data were collected
- The rate for each system inspected
- The overall rating

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

- **Statewide assessments** (i.e., California Assessment of Student Performance and Progress [CAASPP] System, which includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities); and
- The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

Math	27	N/A	28	N/A	39	N/A

Note: Cells with N/A values do not require data.

Note: The 2019-2020 data are not available. Due to the COVID-19 pandemic, Executive Order N-30-20 was issued which waived the requirement for statewide testing for the 2019-2020 school year.

Note: Percentages are not calculated when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

Note: ELA and mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The "Percent Met or Exceeded" is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3-Alternate) on the CAAs divided by the total number of students who participated in both assessments.

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3):

- Efforts the school district makes to seek parent input in making decisions for the school district and each school site

Opportunities for Parental Involvement (School Year 2020-21)

Frank Paul encourages our parents to participate in several organizations and activities. We continued having parents participate through technological services such as: Google Meets, Seesaw, Black Board Connect and Google Classroom. There are a variety of opportunities for parent involvement depending on their interests. Throughout the 2019-20 school year, three stakeholders meetings were calendared to make sure parent ideas were heard by the Alisal Union School District. Along with these stakeholders meetings, School Site Council, and the assistance of administration, financial decisions were carefully calculated for all students. Meetings bring community organizations on campus to talk about services and provide them as needed. The English Language Advisory Committee (ELAC), which works alongside our School Site Council, discusses issues pertinent to English Learners and makes decisions accordingly. District English Learner Advisory Committee (DELAC) members represent our English Learner issues at the district level and update our members at our site. After school enrichment program tutorials provide ideas and activities that parents can use to help their children at home. For parent involvement opportunities at Frank Paul Elementary School, please contact the principal, Mr. Miguel Porras at (831) 753-5740.

State Priority: School Climate

The SARC provides the following information relevant to the State priority: School Climate (Priority 6):

- Pupil suspension rates;
- Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan (School Year 2020-2021)

Maintaining a safe and orderly campus is our main concern. Staff members monitor the school grounds before and after school, at recess, and at lunch time. Teachers regularly review the rules for safe and responsible behavior and are active in making changes, which keep our students and staff prepared and safe. Visitors must enter the school through the main office, sign in, and receive a visitor’s badge. This helps us account for all in the event of an emergency.

Our School Safety Plan is revised annually as was the case this year. The plan includes procedures for emergencies, exit routes, roles and responsibilities for staff members, and inventories of emergency supplies. We share the plan with all staff members at staff meetings. In addition, the school site council helps with revisions and approval. Students and staff practice fire and earthquake drills four times a year and lock-down procedures twice a year. In addition, we hold annual emergency preparedness training for staff, as needed. ALICE (Alert Lockdown Inform Counter Evacuate) trainings have trained administrators, students, and parents. These trainings are ongoing and make sure that our school remains a safe heaven for all students who enter our doors. Safety for all, continues to be one of our primary concerns! Through the pandemic of Covid 19, Frank Paul Elementary School continues ongoing safety trainings using Google Meets as the platform to inform all personal at the site. Due to Covid 19, all personnel are required to wear face masks, take temperature on entry of the school, and maintain social distancing.

Suspensions and Expulsions

(data collected between July through June, each full school year respectively)

Rate	School 2017-18	School 2018-19	District 2017-18	District 2018-19	State 2017-18	State 2018-19

Expulsions	0.0	0.0	0.0	0.0	0.1	0.1

Suspensions and Expulsions for School Year 2019-2020 Only

(data collected between July through February, partial school year due to the COVID-19 pandemic)

Rate	School 2019-20	District 2019-20	State 2019-20
Suspensions	0	0	
Expulsions	0	0	

Note: The 2019-2020 suspensions and expulsions rate data are not comparable to prior year data because the 2019-2020 school year is a partial school year due to the COVID-19 crisis. As such, it would be inappropriate to make any comparisons in rates of suspensions and expulsions in the 2019-2020 school year compared to prior years.

Professional Development (Most Recent Three Years)

Measure	2018-19	2019-20	2020-21
Number of school days dedicated to Staff Development and Continuous Improvement	8	8	8

The major areas of professional development for teachers in 2019-2020 included the following:

- Standards-based planning for instruction, learning and assessment
- Bilingual Transference (for teachers facilitating Alternative Bilingual Education classes)
- One Way Bilingual Program
- EngageNY/ Eureka Math
- Wonders Language Arts
- CCSS instruction
- Teaching to the Math standards (primary grade teachers)
- ELD instruction and lesson planning
- ELD: Integrated and Designated instruction
- Grade Level Team Planning
- Data analysis
- Purposeful teaching
- Strategic teaching
- Guided Reading
- ELPAC professional development
- (Whole Child) professional development on the social and emotional division

Professional development was delivered through staff meetings, GLT sessions, and professional development days. These areas of focus were selected according to the needs of students in ELA (English Language Arts), Math, and ELD (English Language Development). Teacher, parent, and administrative information along with suggestions were gathered after reviewing assessment data for all grade levels. Implementation of all professional development focused areas were developed with the assistance of administration, district directors, teachers and the instructional coach, After professional development was delivered, administration and the instructional coach made sure to support teachers in the areas of need.

DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.
