School Description

Frank Paul continues to provide our students with engaging instruction and enriching learning opportunities. Classroom instructional activities, school-wide assemblies, and field trips provide our students the opportunity to learn in a variety of settings. Our focus is language arts and math. The school offers extracurricular activities such as soccer, volleyball, and flag football.

This is the fifth complete year of our after school program. The program offers our students academic and enrichment activities including structured tutoring and homework assistance, reading/language arts, English Language Development, and math.

Our goals and expectations include a safe and orderly environment, high expectations for student learning, high levels of student learning, and effective communication and collaboration. We invite you to visit our school.

About the SARC

Every school in California is required by state law to publish a School Accountability Report Card (SARC), by February 1 of each year. The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements, see the California Department of Education (CDE) SARC Web page at http://www.cde.ca.gov/ta/ac/sa/.
- View this SARC online at the school and/or LEA Web sites.
- For more information about the LCFF or LCAP, see the CDE LCFF Web page at http://www.cde.ca.gov/fg/aa/lc/.
- For additional information about the school, parents and community members should contact the school at (831) 753-5740.

A. Conditions of Learning

State Priority: Basic

The SARC provides the following information relevant to the Basic State Priority (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

Quality, Currency, Availability of Textbooks and Instructional Materials (School Year 2014-15)

In order to support classroom professionals in teaching the Language Arts and Math Common Core State Standards, Engage NY curriculum, in both content areas is being recommended to fill gaps in the Treasures curriculum and those that have also been found in the Everyday Math curriculum.

Both Engage NY Language Arts and Math were piloted and feedback from teachers attested to the ability of these common core resources to meet the requirements of the new state standards and fill gaps in our current adoption materials.

In Language Arts:

K-1-2 will continue to use Treasures to teach Foundational Skills and use the Engage NY Listening and Learning Domains to address the remaining standards.

3-6 will use Engage NY solely to teach all Language Arts standards.

Because Engage NY is not yet available in Spanish, Bilingual Transference classrooms will continue to use Tesoros and adapt it as needed to meet the common core state standards.

In Math:

At K-6, teachers will use both the adopted Everyday Math curriculum and Engage NY Math, selecting one as their primary resource and the other as a secondary resource.

Bilingual Transference classrooms will be able to use the Engage NY Math because student materials have just recently become available.

School Facility Conditions and Planned Improvements (Most Recent Year)

Frank Paul School provides a safe and clean environment for learning. Our custodial staff consists of a lead day custodian and two evening custodians. Each classroom, restroom, and office is cleaned daily. District personnel maintain landscaping and provide other operational services. If the need arises, a work order is placed and repairs are made.

Frank Paul is a 28-year-old modular school. The school consists of 33 regular classrooms and three preschool classrooms. Our school has only three permanent buildings: our multipurpose room and two classrooms. Our multipurpose room serves as our cafeteria and events center.

B. Pupil Outcomes

State Priority: Pupil Achievement

The SARC provides the following information relevant to the Pupil Achievement State Priority (Priority 4):

- Statewide assessments (i.e., California Assessment of Student Performance and Progress and its successor the Standardized Testing and Reporting Program);
- The Academic Performance Index; and
- The percentage of pupils who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

^{* &}quot;N/D" means that no data were available to the CDE or LEA to report. "B" means the school did not have a valid API Base and there is no Growth or target information. "C" means the school had significant demographic changes and there is no Growth or target information

C. Engagement

State Priority: Parental Involvement

The SARC provides the following information relevant to the Parental Involvement State Priority (Priority 3):

Efforts the school district makes to seek parent input in making decisions for the school district and each schoolsite.

Opportunities for Parental Involvement

Frank Paul encourages our parents to participate in several organizations and activities. The School Site Council works with the administration to help make organizational and financial decisions; Koffee Klatch meetings bring community organizations on campus to talk about their services and provide them as needed. The English Language Advisory Committee (ELAC) discusses issues pertinent to English Learners and makes decisions accordingly. District English Learner Advisory Committee (DELAC) members represent our English Learner issues at the district level and update our members at our site. Family Reading Nights provide ideas and activities that parents can use to help their children at home.

State Priority: School Climate

The SARC provides the following information relevant to the School Climate State Priority (Priority 6):

- Pupil suspension rates;
- · Pupil expulsion rates; and
- Other local measures on the sense of safety.

School Safety Plan

Maintaining a safe and orderly campus is our main concern. Staff members monitor the school grounds before and after school, at recess, and at lunch time. Teachers regularly review the rules for safe and responsible behavior. Visitors must enter the school through the main office, sign in, and receive a visitor's badge.

Our School Safety Plan is revised annually. The plan includes procedures for emergencies, exit routes, roles and responsibilities for staff members, and inventories of emergency supplies. We share the plan with all staff members at a staff meeting. Students and staff practice fire and earthquake drills four times a year and lockdown procedures twice a year. In addition, we hold annual emergency preparedness trainings for staff.
