Deferred Pay Selection Form

Check One: ☐ Certificated ☐ Classified

Name: _____ Employee ID: _____
(Please Print)

Employees may request deferred pay so that they will have a paycheck in July. Deferred pay deducts 8.333% from your Net pay every month. Deferred pay deductions beginning after the start of the school year will produce a deferred paycheck in a reduced amount of your monthly net. Deductions are from August through June and are paid out at the end of the month in July.

Please check the appropriate box below, and sign the form.

- ☐ Yes, I wish to participate in the deferred pay option (11 checks August – June. Deferred pay payout - July).
- ☐ No, I do not wish to participate in the deferred pay option (11 checks August - June).

By signing below, I understand that this choice remains in effect until I submit a new form.
